STATE OF VERMONT HORACE F. GRAHAM Governor.

A PROCLAMATION.

Fire in war time commands our special attention. Fire destroys property in all stages of development from natural resources to finished products. It consumes foodstuffs and equipment necessary for our civilian population and absolutely essential for our fighting forces. In the destruction of factories fire deprives work-men of their usual labor and stops or delays the increased production required by war.

Fire is a preventable menace; therefore I. HORACE F. GRAHAM, Governor,

designate Tuesday, Oct. 9, 1917, FIRE PREVENTION DAY and urge all citizens of Vermont to exert every influence through officials, boards of trade, schools and other organizations, and to exercise individual precaution to prevent fire. Mayors, selectmen, fire chiefs and wardens are requested to secure the cleaning up of all premises and the removal of dangerous conditions, in order to reduce the hazard of fire.

Given under my hand and the great seal of the state, at Montpelier, this second day of October, 1917.
